Questions and Answers (as of 14 December 2021)

Queries	Responses
Can bidder/s conduct a site visit?	Yes. Bidder/s are encouraged to email the BAC through its Secretariat on this activity.
Is the plan for this readily available?	Yes.
Is there any guidelines or protocol pertaining to safety measures for COVID such as RT-PCR tests during site visit and actual construction	Please refer to Department of Public Works and Highways (DPWH) Department Order 39/30.
With regards to the DUPA template, will the bidder/s follow what was provided as a template?	Yes. Bidder/s are encouraged to use the templates provided for DUPA, Bill of Materials, Bill of Quantities, etc.
When is the last day that bidder/s can submit a query / request for clarification?	<p>Clause 9 of the Section II – Instruction to bidders, provides that:</p> <p>Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the IB, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.</p> <p>Thus, the deadline for submission of query is on 11 December 2021.</p>
<p>On Organizational Charts, usually the names of “skilled workers” and /or “laborers” are given when the bidder has already been declared as the winning bidder.</p> <p>For purposes of bid submission, should the bidder/s already incorporate the list of names of the “skilled workers” and/or “laborers” in their bid? Or will the provision on the number of skilled workers and laborers suffice?</p>	<p>Only the number of skilled workers/laborers would be necessary for the bid submission. However, the winning contractor should submit a complete organizational chart with names and identifications of the worker/laborer prior to actual work.</p>
<p>On “Personnel Qualification Requirements”,</p> <p>1. Are all the licenses and certifications as stated in the PBD</p>	<p>1. Yes</p>

<p>will be required during bid submission?</p> <p>2. Are other certifications aside from the stated requirements be submitted in lieu of the required licenses?</p>	<p>2. No. for this project, only those licenses and certifications as stated in the PBD are required and allowed.</p>
