SUBJECT: Supplemental Bid Bulletin No. 2

Dear Prospective Bidders:

This serves as the official transmittal of Bid Bulletin No. 1 for the Procurement of UMID Central Verification System Maintenance with Hardware Refresh. This bulletin is being issued to amend the Bidding Documents and clarify queries from prospective bidders.

Please be informed that the contents of the Bidding Documents that have not been modified shall remain in full force and effect.

The bulletin will be posted on the websites of PhilGEPS and PSA.

Truly yours,

*Rosalinda P. Bautista*

**BID BULLETIN NO. 1**

<b>Bid Bulletin Ref. No.</b>	<b>Specific Page/Section in the Bidding Docs.</b>	<b>Query/Issue</b>	<b>BAC Response/Clarification</b>
BB1-01	Page 92, No. 4, 1 <sup>st</sup> bullet	Can we retain the original throughput of 1000 transactions per hour?	1000 transactions per hour is fine as long as the submission of output will be delivered within 24 hours.
BB1-02	Page 92, No. 4, 2 <sup>nd</sup> bullet	On the system uptime of 98%, what are the qualifiers considered as downtime?	Any event beyond the control of service provider which results to system downtime is not to be included in the allowable 2% downtime. PSA will determine the cause of the event.
BB1-03	Page 9, No. 2, and Page 51, ITB Clause 12.1(a)(ii) 2 <sup>nd</sup> paragraph	The number of years required stated in the Invitation to Bid is not consistent with the number of years stated in the Bid Data Sheet.	Three-year requirement stated in the Invitation to Bid will prevail.
BB1-04	Page 92, No. 6 System Ownership	What are the consequences of not waiving the IPR?	<p>Under System Ownership, the statements:</p> <p><i>"The supplier shall waive the Intellectual Property Rights including licenses relative to UMID-CVS to the PSA. An appropriate waiver under oath shall be executed and submitted and made as an integral part of the bid."</i></p> <p>shall be replaced by the following statements:</p> <p><i>"All customized/developed systems or modules including software licenses for the</i></p>
