II. CLARIFICATIONS/ANSWERS TO INQUIRIES

	Questions/Clarifications	Answers
1	Schedule of requirements to be extended from 30 days to 60 days	Schedule of requirements will be 30 days.
2	Extension Letter is considered	There should be a valid reason or justification and the authority to grant

		the request lies with the Head of the Procuring Entity.
3	Onboard Internal Speaker	On-board internal speakers are not intended for music listening, but rather for error or troubleshooting notifications.
4	Branded	The whole system unit (Desktop/CPU), Monitor, Keyboard and Mouse should be of the same brand.
5	Clarification on the meaning of “Media Data Retention or keep your hand Drive”	Media Data Retention means that in the event of a hardware failure (such as a hard drive or SSD failure), the PSA can retain the defective drive instead of returning it to the manufacturer. This is important for security and privacy reasons and to ensure sensitive data does not leave PSA’s control. With media data retention, PSA can keep the defective drive to either attempt to recover the data or to ensure it is securely destroyed, preventing unauthorized data access.
6	UPS Brand	Any brand for the UPS as long as it is within the specification.
7	Clarification if End-user consider any brands that is 10 years or more in the market and the existing brand in the market	The procuring entity has no preference on a specific brand provided the bidder complied with the specifications and the system unit must be branded, not cloned.
8	To include in the supplemental bid bulletin “next business day on site technical support”	To be reflected in the Supplemental Bid Bulletin
9	Clarification on Place of delivery	One-drop off point; Reflected on page 28 of the bidding documents
10	Envelope system of Technical Eligibility and Financial documents	The BAC requires one envelope consisting of 3 copies of Technical Eligibility and one envelope consisting of three copies of Financial documents. The two envelopes should be sealed in one main envelope and should be labeled properly.
11	Payment for the cost of the bidding documents if can be done through bank transfer or onsite only	It can be done through direct bank deposit or onsite payment. The account number of the Trust Fund for deposit of payments can be obtained from the BAC Secretariat upon request.
12	The cost of bidding document for this procurement.	The cost of Bidding document is P25,000.00 for this procurement opportunity.

13	For the statement of all ongoing contracts, is there a need to attach the supporting documents	The supporting documents for the all ongoing contracts should be attached as part of the technical documents during bid opening.
14	Timeline of the posting of Supplemental Bid Bulletin	The SBB should be posted within five calendar days after the Pre-bid conference.

This Supplemental Bid Bulletin is issued to modify and amend specifically on pages **7, 8, 9, 27, 30, and 31** of the Bidding Document and inquiries and/or clarifications during the Pre-Bid Conference for the Procurement of Desktop Computers and Other Requirements for the 2024 Census of Population and Community-Based Monitoring System (POPCEN-CBMS) Data Processing of PSA RSSO VI.

This shall form an integral part of the Bid Document under the contract for Public Bidding No.2024-003, Procurement of Desktop Computers and Other Requirements for the 2024 Census of Population and Community-Based Monitoring System (POPCEN-CBMS) Data Processing of PSA RSSO VI.

The PSA reserves the right to accept or reject any bid, to annul the bidding process, and to reject all bids at any time prior to contract award, without thereby incurring any liability to the affected Bidder or Bidders.

For the guidance and information of all concerned.
