#### HOW CAN YOU BE A PARTNER TO ENSURE THE SUCCESS OF THE CENSUS OF AGRICULTURE AND FISHERIES?

You or your organization can be a partner by enhancing the level of responsiveness and cooperation of your personnel, stakeholders, and the public towards the Census of Agriculture and Fisheries and assisting in the campaign, information, spillover of training materials and personnel for the census operations among others. Some activities which you can undertake are:

- Publicity and information drive among members of your organization and partner agencies through announcements of the conduct of the CAF in organization-sponsored forums, etc.
- Knowledge personnel/field offices/personal agencies/attached concerns/ partner agencies to put up billboards, streamers, posters, and stencils;
- Provide assistance in the census logistics requirements such as:
  - o training personnel/ies for the training of census supervisors and enumerators;
  - o transport facilities for census personnel and materials;
  - o census headquarters during enumeration period.
- Participate in task force, provincial, and municipal-level trainings of census supervisors and enumerators as resource persons on agriculture, aquaculture, and fishing concepts and practices.
- Facilitate police ground personnel/field offices to verify the cooperation of prospective respondents of the forthcoming Census of Agriculture and Fisheries.
- Provide security to census personnel and
- Sponsor local census awareness events for farmers, fishermen, and other persons engaged in agriculture, aquaculture, and fisheries.

#### LEGAL BASES

The authority and mandate of the Philippine Statistics Authority (PSA) to conduct the 2022 CAF emanates from **Republic Act (RA) No. 10625** (Philippine Statistical Act of 2013), which authorizes the PSA to prepare and conduct periodic censuses on agriculture and fisheries.

Moreover, **Executive Order No. 352** (Designation of Statistical Activities that Will Generate Critical Data for Decision-Making of the Government and the Private Sector) provides for the conduct of a census of agriculture and fisheries **every ten (10) years** with the objective of providing governments, planners and policy makers with data on which to base their plans for the country's development.

#### OBLIGATIONS OF THE RESPONDENTS

**Paragraph 1 of Section 27 of RA 10625** states that "respondents of primary data collection activities such as censuses and sample surveys are obliged to give fully and complete answers to statistical inquiries, the gathering, consolidation, and analysis of such data shall likewise be done in the most truthful and credible manner".

**Paragraph 2 of Section 27 of RA 10625** further states that "any individual who refuses or fails to give truthful and complete answers to statistical inquiries will be imposed a penalty of one (1) year imprisonment and a fine of one hundred thousand pesos (Php 100,000.00)".

#### CONFIDENTIALITY OF THE INFORMATION

In accordance to **Section 4 of Commonwealth Act (CA) 591**, the field supervisors and enumerators hold the information obtained from individuals or establishments during the census operation **STRICTLY CONFIDENTIAL** and did not divulge to any person, except to the authorized PSA personnel acting in the performance of their duties.

The information collected from households/persons or establishments would be used for statistical purposes only, not for tax or investigation or law enforcement. **Republic Act (RA) 10625 (Article 59, Rule 30)** stated that "any person including parties within the PSA Board and the PSA, who breaches the confidentiality of information, whether by carelessness or improper behavior or behavior with malicious intent or use of confidential information for profit, are considered guilty of an offense and shall be liable to fines and/or imprisonment as prescribed by the PSA Board".

- Household income and expenses

## 2022 CAF Comics

	<p><b>Panel 1:</b> Nabalitaan niyo bang may census ngayon? Kasali nga raw tayo doon.</p> <p><b>Panel 2:</b> Kailan naman 'yan?</p> <p><b>Panel 3:</b> Simula Setyembre ngayong taon (2023), magsasagawa ang Philippine Statistics Authority ng Census of Agriculture and Fisheries o CAF. Ang CAF ay ang pinakamalaking senso ng pamahalaan upang mangalap ng mga pangunahing datos sa sektor ng agrikultura at pangisdaan.</p> <p><b>Panel 4:</b> Ilan din sa mga datos na makukuha sa CAF ay kung gaano kalaki pa ang mga lupa na ginagamit sa pagtatanim ng palay o gulay at kung kelan ang mga ito tinatanim at inaani. Ito ay makapagbibigay ng impormasyon sa gobyerno upang makita kung magkakaroon ba ng sapat na suplay na pagkain sa bansa sa buong taon.</p> <p><b>Panel 5:</b> Magbibigay ng impormasyon sa gobyerno? Ganern?!</p> <p><b>Panel 6:</b> Mga kababayan, huwag kayong mag-alala! Tayo ay protektado ng mga batas tungkol sa data privacy. Ibig sabihin lahat ng impormasyon na ibabahagi natin sa census ay pananalitang confidential at di maaaring gamitin sa pagbubuwis, imbestigasyon, at ebidensya sa korte.<sup>1</sup></p> <p><b>Panel 7:</b> <sup>1</sup>RA 10173 (Data Privacy Act of 2012) - Siguradong impormasyon ay protektado. <sup>2</sup>RA 10625 Section 26 - Ang mga personal na datos na binahagi ng mga respondent sa census ng PSA ay maituturing na confidential information.</p> <p><b>Panel 8:</b> Halimbawa, sa census makikita kung gaano karaming farm at fishing operators ang nangangailangan ng suporta pagdating sa makinarya, training, at access sa mga serbisyong kinakailangan nila.</p> <p><b>Panel 9:</b> Ano naman mapapala natin diyen?</p> <p><b>Panel 10:</b> Ang mga datos na makukuha mula sa CAF ay maraming gamit. Ito ay maaaring maging batayan sa paggawa ng mga programa at polisiya para sa mga magsasaka at mangangisda.</p> <p><b>Panel 11:</b> So, kung kulang ang bilang, magkukulang din ang suporta sa kanila?</p> <p><b>Panel 12:</b> Gonun na nga, Bangs!</p> <p><b>Panel 13:</b> Oh, 'yun naman pala eh!</p> <p><b>Panel 14:</b> Sinu-sinu ba ang mga ise-census? Kasama ba amo natin dyan?</p> <p><b>Panel 15:</b> Lahat ng nagtatanim, nag-alaga ng mga hayop at isda, at nangisda noong taong 2022 ay kasali sa CAF.</p>
