

| | Supply, Delivery, Configuration, and Installation of Various Information Communication Technology (ICT) Equipment | |
|--------------|--|--|
| LOT 1 | High-End i7 Desktop Computer with UPS | |
| | 22 Units – Branded High-End Desktop Computers <i>(Minimum Requirements)</i> | |
| | <p>Processor: Intel I7-12700 2.1 Ghz</p> <p>Intel I7-12700 2.1 Ghz Performance-Core Clock Speed Total Cores: 12 No. of Performance-cores: 8 No. of Efficient-cores: 4 Total Threads: 20 Max Turbo Frequency: 4.90 GHz Intel Turbo Boost Max Technology 3.0 Frequency: 4.90 GHz Performance-core Max Turbo Frequency: 4.80 GHz Efficient-core Max Turbo Frequency: 3.60 GHz Performance-core Base Frequency: 2.10 GHz Efficient-core Base Frequency: 1.60 GHz</p> | |
| | Storage: 1 TB NVME + 2TB HDD | |
| | <p>Memory: At least 32GB RAM inclusion of DDR4 3200Mhz (or DDR5 4800Mhz)</p> | |
| | Graphics: At least RTX 4070 GPU, at least 12GB Memory | |
| | <p>Power Supply: At least 850W must be true rated Atleast 80+ gold</p> | |
| | <p>Display: At least 24” 144hz must be LED monitor must be the same brand as that of the system unit must be free sync or gsync technology compatible</p> | |
| | UPS: At least 1100VA | |
| | Peripherals: Must have display cables, and power cords | |
| | Operating System: Must have pre-installed Windows 11 64bit with OS recovery disk and driver installer | |
| | <p>I/O Ports:</p> <ul style="list-style-type: none"> - USB 3.2 Gen 1 Type-A/Type-C - Combo Audio Jack - HDMI - DisplayPort - Lan Port (Gigabit Ethernet) with Wi-Fi capability | |
| | Keyboard and Mouse: Must have USB keyboard and mouse (must be the same brand as that of the system unit) | |
| | Warranty: Three (3) years on parts and service on site | |
| | <p>IMPORTANT NOTE:</p> <p>Vendor should comply with the retention policy established by the Philippine Statistics Authority (PSA) in accordance with the General Data Protection and Regulation (GDPR). In the event of broken disk drives, it is the vendor's responsibility to provide a replacement drive. The repair of storage devices attached to the servers should only be carried out within the premises of PSA. And if the storage devices are beyond repair, it must be securely destroyed under the close supervision and guidance of PSA. This adherence to the retention policy safeguards the confidentiality and integrity of data, reinforcing the commitment to data protection and privacy.</p> <ol style="list-style-type: none"> 1. Must have three years nationwide support by the winning bidder (on-site for Metro Manila and regional service center support); 2. Must have three years warranty on Parts and Labor (Note: Three years warranty must be verifiable through serial number via manufacturer's website); | |

| | | |
|-------------------------------|--|--|
| | <p>Additional Requirements:</p> <ol style="list-style-type: none"> 1) The brand and model must be Energy Star Certified 2) The brand and model must be EPEAT registered 3) Latest Manufacturer/Principal ISO 9001-2015 Certification 4) Manufacturer’s certification certifying that the proposed brand is an international brand name. Further the brand should and marketed continuously in the Philippines for the last Ten (10) years. 5) Certification from the manufacturer that the proposed brand has shipped a minimum of forty million (40,000,000) units yearly, combination of desktop and laptop computers for the last three years. The bidder or manufacturer shall present supporting documents such as sales report and/or third-party market survey report from technology research and consulting firms. | |
